

SummerSkills *math Books*
 Strengthening skills. Cultivating confidence.
 Reinforce Your Child's Learning Over the Summer!

Parent Letter/Order Form
 (For books sent to the school!)

Dear Parent/Guardian,

The education of our children is more important than ever before. **For the approximate price of two movie tickets**, you can give your child a summer of continued learning. Studies show that much of what is learned during the school year is lost over the summer months. For the past 18 years our Summer Review Books have provided **millions** of students with a comprehensive review of materials taught the previous year.

With educational demands continuously changing, children need not only a review that keeps current with State and National Standards, but also gives them an academic edge and self-confidence when they return to school in the fall.

Our easy-to-use Math review books serve this purpose. Taking only 15-30 minutes three times per week over the summer, our books provide a succinct review that is not overwhelming.

Please order the grade level that your child is in right now.

Summer Math Skills Sharpener Books: (New Supplemental Lessons Included)

- 15 review books for Pre-K through 8th grade, Prealgebra, Algebra I
- Each lesson gives students practice in a mix of skills.
- Grade-appropriate auxiliary pages are included.
- Answer key, solutions for each problem (4th grade and up), and tutorial "Help Pages" are included.

(tear here and return the bottom portion with your payment of \$16 per book to Santina Brown)

Student Name _____ Homeroom # _____

Homeroom teacher's name _____
