

St. Jane Frances School

A faith-centered community which encourages the intellectual, spiritual, moral, cultural and social development of its students.

St. Jane Frances School is fortunate our parents have wonderful talents and resources. We welcome your gift of time and talent in participating in our students' educational experience. The success of fundraising, which directly offsets tuition, is dependent on your participation. Your service to the school allows us to direct our resources to your child's classroom and our teachers. It also sends a powerful message to your child that, if parent(s) or guardian(s) are there, it must be important.

Service Hours consist of work done for the various activities that are listed on Sign Up Genius, which is available by Back-to-School Night, in addition there may be opportunities that become available throughout the year. The service contract program will begin September 2017. Each PreK2-8 family is responsible for 20 hours of service per school year. A Buyout fee, \$200, is available for those who do not wish to volunteer service hours.
